Bridges Named Director of KSC

Former Shuttle astronaut and retired Air Force Maj. Gen. Roy D. Bridges, Jr., has been named director of KSC effective March 2. He will replace Jay F. Honeycutt who is retiring. As director Bridges will be responsible for managing NASA's only site for processing and launch of the Space Shuttle. Prior to this assignment he was the commander of the Air Force Flight Test Center at Edwards Air Force Base, Calif.

McClain Named Acting Director of Space Station Requirements

Gretchen W. McClain has been named NASA's Acting Director of Space Station Requirements. She replaces astronaut Lt. Col. Andrew M. Allen, who is retiring from the U.S. Marine Corps. As director of Space Station Requirements, McClain will be responsible for establishing the policies and requirements of the International Space Station. Prior to her recent appointment, McClain served as chief, Space Station, Headquarters Office.
